development professionals - and owner of Apulit Consulting, LLC.

As a coach, she believes in coaching the whole person to empower, inspire, and transform them to be their best selves. She partners with leaders at all stages of their career journey to manage transitions, address work-life balance, explore alignment of values and beliefs, and strengthen personal and professional resilience and well-being. As an internal coach for the United States Agency for International Development (USAID), she provided individual and team coaching for a global workforce of professionals in multiple countries.
